

Badminton & Pickleball Game Systems

Specifications — Badminton & Pickleball Game Systems

Product Description

502101 Badminton Standards (Pair) Badminton Game standards include two 2 3/8" OD sleeve type posts. Posts shall be 2 3/8" OD 3/16" wall high strength steel mechanical tubing furnished with all necessary hardware. Each post has a sliding lock collar to anchor net and provide proper net tensioning. Sliding collar and post shall be finished with durable gloss black powder coat. Sliding collar can be rotated and moved down to be used for Pickleball.

502103 Center Badminton Standard Same quality construction and features as 502101 posts with the added eye bolt to attach bottom of net and allow the use of common posts for multi-court systems.

502102 Recreational Badminton Net (21' x 30') Badminton net is constructed of black, 9 ply nylon netting with 1" square openings. Reinforced white vinyl coated nylon headband with enclosed 3.5 mm top rope. Bottom and side include black nylon bindings. Net designed for use with posts spaced at 22' center-to-center.

502122 Competition Badminton Net (19'9" x 30') Badminton net is constructed of rugged #12 nylon netting that has treated with brown Flexabar for added durability. Double reinforce white vinyl coated nylon headband with enclosed top rope. Bottom and side are nylon taped. Net designed for use with posts spaced at 20' center-to-center.
