Specifications
FOCALPOINT™

_____ FocalPoint projection screens, size _____ h. x _____ w.
FocalPoint consists of extruded aluminum frame silver anodized or black, viewing surface with pouch, protective floor tarps, carrying cases, and leg kit.
The frame shall be completely modular. All available sizes of FocalPoint are to be built from combinations of four standard frame sections (including legs).
Frame sections shall be color-coded.
Viewing surface attaches to frame using attached DuraLoop™ bungee cord loops with nylon pull-tabs. The viewing surface shall be framed by black borders on all four sides. Black borders shall mask bungee cord loops and attachment lugs. Patent pending.
Patent information available at http://www.draperinc.com/legal/patents/
Downloadable 3-part specifications are available at www.draperinc.com.
Specifications subject to change without notice.

See Page 2 for photo details of modular frame pieces
