

# GYM CONTROL SYSTEM

# EZ Pad 3.0

HIGH-END CONTROLS AT A MODERATE PRICE

- UL Listed **EZ Pad 3.0** provides touch screen technology with the expensive features of high-end controls at a moderate price. It includes the option to control on/off items like scoreboards, PA systems, or lights. Replace key switches needed to operate Draper® electrical gyms and other directional equipment that meet system ratings with EZ Pad 3.0.

## FEATURES:

- 7" color touch screen user interface.
- Touch screens have multi-level password protection to prevent unauthorized personnel from using them or changing the programs.
- EZ Pad 3.0 uses ethernet communications between relay boxes and touch screens.
- Touch pad is flush mounted.
- Conduit, wiring, and programming is the responsibility of the electrical contractor.
- Network unlimited relay boxes, and up to two 7" touch screens may be connected to each relay box for infinite control combinations.
- Items can be operated individually or as part of a group of up to 8 items.
- Up to 64 groups can be stored.
- Multi-level passwords ensure only authorized people can operate.
- A supervisory password is required to make program changes

## WARRANTY:

- One-year warranty.
