

WALL & VOLLEYBALL PAD SWATCH COLORS

HEAVY-DUTY PROTECTION FOR IMPACT AREAS

Wall Pads and Volleyball Pads by Draper are fully wrapped with the highest quality reinforced vinyl, providing heavy-duty protection for indoor impact areas. The selections of vinyl-coated polyester fabrics below are enhanced by a leather-like emboss pattern, each with an average weight of 14 ounces per square yard. Draper will custom make wall pads in virtually any shape or size, including those for columns, beams, doors and stage fronts.

NOTE: The same vinyl used for Draper Wall Pads is also used for Draper Volleyball Pads. Technical Data on reverse side.

14 OZ. VINYL, CLASS A FLAME RETARDANT AND ECOVISION COLORS
